COPPER MOUNTAIN® TECHNOLOGIES

NOW HIRING

JOIN OUR TEAM AS A

JUNIOR SALES ENGINEER

Your RF know-how. Real customers. A territory of your own.

01

Train in Indianapolis

On-site training at our HQ, side by side with our engineers.

02

Go remote

Work from home base in IN or another U.S. territory.

03

Hit the road

About 50% travel to demo, present and meet customers.

WHAT YOU'LL DO

- Demo our VNAs and give technical presentations
- Help engineers solve real RF measurement problems
- Find new markets and grow your territory
- Represent CMT at trade shows and conferences

WE'RE LOOKING FOR

- Graduating seniors or recent grads, Electrical Engineering preferred
- Understanding of RF and microwave theory preferred
- Clear communicators who enjoy people
- Valid driver's license and a love of travel
